SCHEDULED 2018 ELECTION DATES

<u>Elections</u>	<u>Book Closing Dates</u>	<u>Dates of Elections</u>
Primary	July 31, 2018	August 28, 2018
General	October 9, 2018	November 6, 2018

What is Book Closing?

Book closing marks the deadline for unregistered voters to file a voter registration application. It also applies to currently registered voters who wish to change their party affiliation for an upcoming election. A completed voter registration application must be in the Supervisor of Elections' office, or if mailed, must be postmarked by the book closing date. By law, **Florida is a closed primary state**. Voters may only vote for candidates in their party of registration. By not selecting a party when you register, your vote is limited in primaries to non-partisan races (judges, school board members) and issues. In a general election, you may vote for any candidate regardless of party.

What is a Universal Primary?

A Universal Primary Contest or "UPC" means a contest in a primary election in which all candidates have the same party affiliation and the winner will have no opposition in the general election. All qualified electors may vote on a Universal Primary Contest regardless of party affiliation.
