## A NOTE FROM CHARLES

I hope all of you have had a wonderful, safe summer! It may be hard to believe, but the election cycle is fast approaching. We will have a city election in Interlachen 2 months from now on November 5<sup>th</sup> and we are less than a year away from the county-wide primary election on August 26, 2014. The Florida Legislature has changed several of the laws and rules concerning elections so all of us will undergo instruction and training to help us conduct the very best election possible and to help us serve the voters of Putnam County with respect and professionalism.

Thank All of You Very Much!!

Charles

## We Will Remember.....

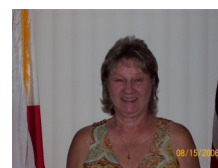

In our line of work we meet and get to work with some of the nicest people. Unfortunately, we also lose members of our "election family". It is with great sadness that we tell you we have lost a few of our family members.

- **Shirley Gale** has worked with us for a number of years at Woodlawn Baptist Church in Johnson. Ms. Shirley was very dedicated and had been a poll worker since she was old enough to vote. She had shared a story with us once about working in South Florida after a hurricane came through. She didn't think anything about walking through knee deep water to get to her polling place!
- **Karen Marx** also worked with us for a number of years at the Putnam County Ag Center. She had not worked for a few years due to health and other responsibilities. At one point, Karen even helped us with training, in 2006.

Both of these ladies will be greatly missed and were a great asset to their community. We were all blessed to have known and worked with them. Thank you for the memories ladies!

**Shirley Gale**

**Karen Marx**
