A Note From Charles

I want to thank all of our election workers for the Great job each of you did during the 2014 election cycle!!! I am very proud of the fact that because of the hard work of each of you and my dedicated staff, we were able to have the highest vote totals in a Governor's year election since the 1990's and we also finished reporting all of our vote totals by 8:15 PM, just over an hour after the polls closed. That is truly a testament to everyone's dedication and commitment to the elections process in Putnam County.

It is truly an honor to serve as your Supervisor of Elections and to work with such great office staff and a host of wonderful election workers. I look forward to working with each of you and serving the voters as we move into the 2015 Special Elections.

I wish each and every one of you a Merry Christmas and a very Happy, Prosperous and Healthy New Year!!
