Putnam County SOE Alerts Voters to Potentially Misleading Mail

The Putnam County Supervisor of Elections Office warns voters of a mail campaign initiated by The Voter Participation Center (VPC). These mailings target residents the VPC claims are not registered to vote or who need to update their address. VPC is a non-governmental organization and is **NOT** affiliated with the Putnam County SOE Office or state election officials.

In years past, VPC has used information pulled from unverified sources. Previous mailings have not only been sent to registered voters, but also to those who are deceased, minor children and even pets. Understandably, this has led to confused voters and concerned phone calls.

Voters with questions about these mailings, or who wish to be removed from the list, are urged to contact the VPC directly at (877)255-6750 or voterparticipation.org.

Putnam County SOE Office makes every effort to update information and maintain accurate registration records. We encourage every eligible voter to visit www.putnam-fl.com/soe.com or call (386)329-0224 to review their current information and make any necessary changes.
